At a time when Gen Flynn is needed. They tie him up in senseless court hearings, try to destroy him so their sins do not have to be accountable or prosecuted. Justice must be served. @GenFlynn must be exonerated. Great Interview @GoJackFlynn @SidneyPowell1

President Trump calls the W.H.O. China-centric. Centric means at the center. The W.H.O. / U.N. are the globalists behind the NWO agenda for a one world order, government and religion. Potus is dismantling the NWO. You are witnessing the systematic destruction of the old guard.

Did President of the United States Donald J. Trump just say everybody is getting "a big fat beautiful check and MY NAME is on it!"?

Because it SOUNDS LIKE he just said "a big fat beautiful check and MY NAME is on it!"

While President @realDonaldTrump highlighted American workers producing ventilators for those in need, @MSNBC cut away. Worse, @CNN did not even take the whole first portion of the briefing.

This is a disservice to all Americans seeking information from their government.

We have all recently had our rights curtailed, freedoms infringed, & ability to travel freely ended by extra-legal means.

Our SHORT-TERM rights depuration is only a MINOR taste of the horrible treatment of hero/patriot @GenFlynn has endured for YEARS under the boot of the DOJ!
